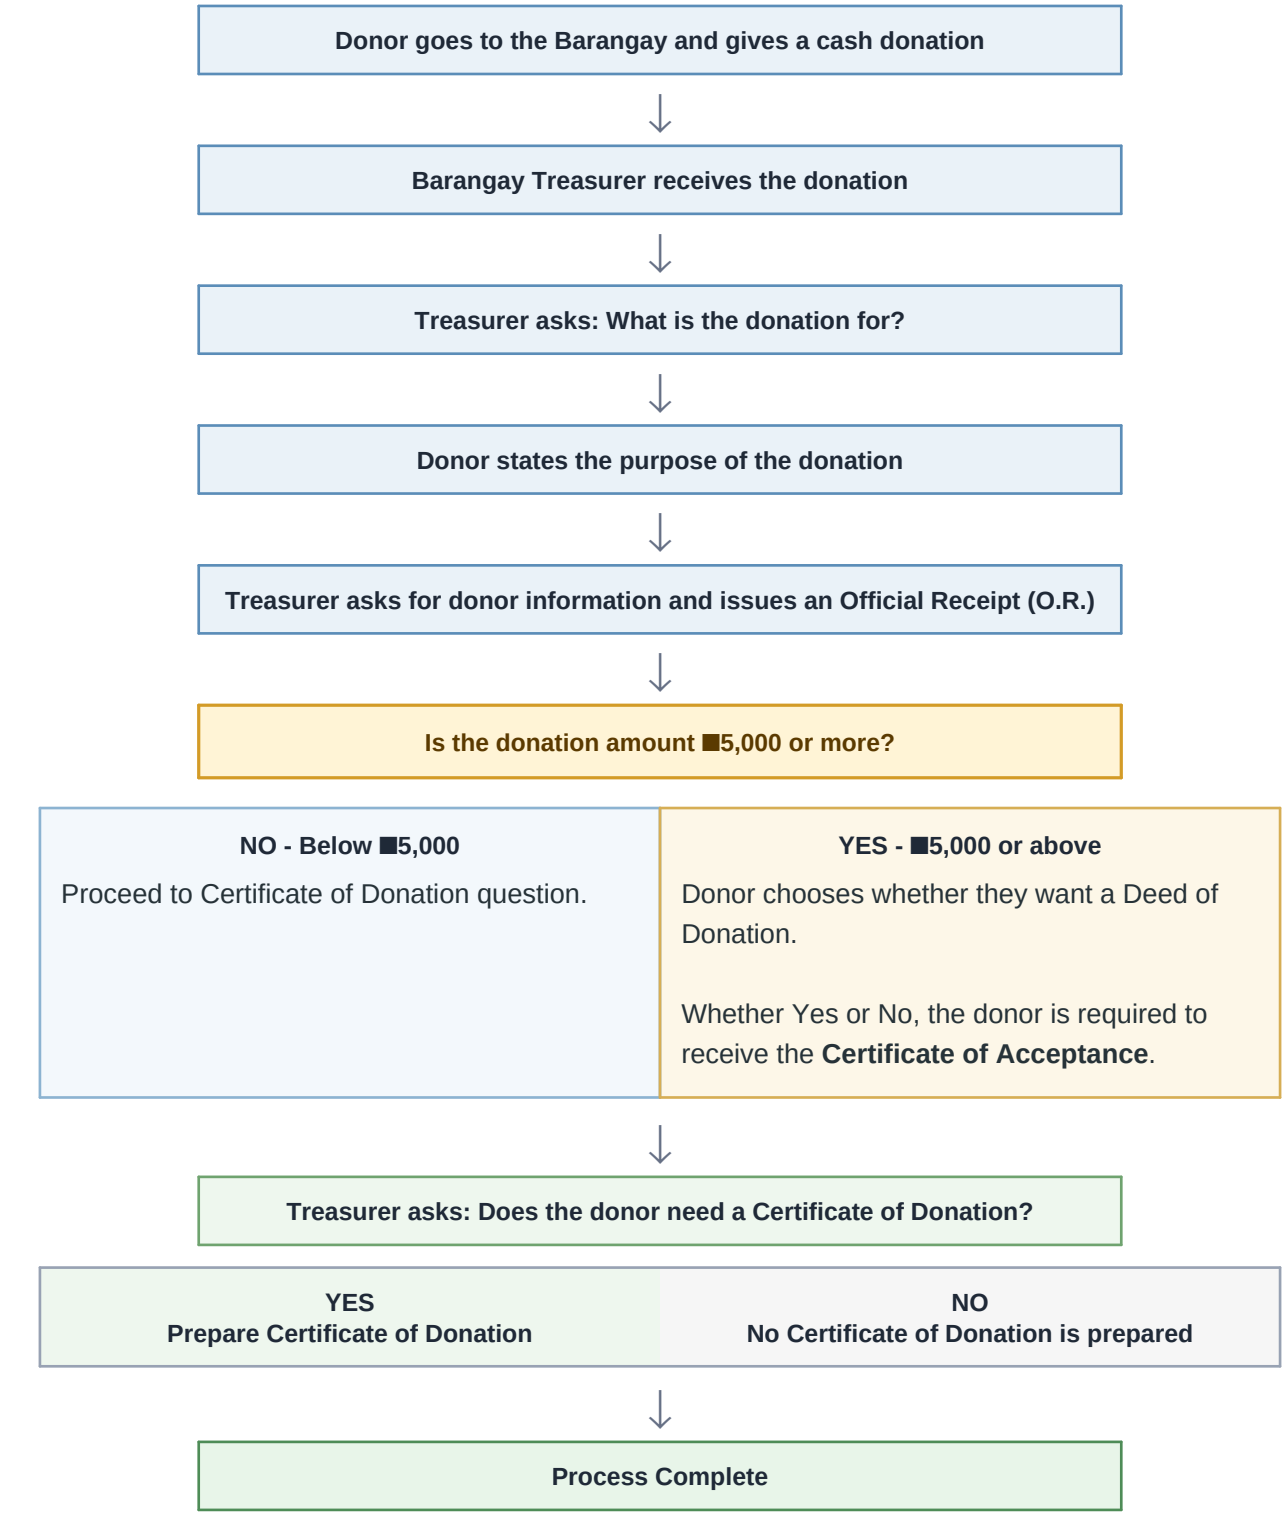
# Current Barangay Cash Donation Process

Simple manual workflow based on the current Barangay Treasurer process

## Flowchart



## Simple Breakdown

| | |
|---|---|
| **1** | Donor goes to the Barangay and gives a cash donation. |
| **2** | Barangay Treasurer asks what the donation is for. |
| **3** | Donor states the purpose of the donation. |
| **4** | Treasurer asks for the donor's information and issues an **Official Receipt (O.R.)**. |
| **5** | The Treasurer checks the donation amount. |
| **6** | If it is **below ■5,000**, proceed to asking whether the donor needs a **Certificate of Donation**. |
| **7** | If it is **■5,000 or above**, the donor chooses whether they want a **Deed of Donation**. |
| **8** | Whether they choose the Deed or not, the donor is **required to receive the Certificate of Acceptance**. |
| **9** | Treasurer asks: **"Do you need a Certificate of Donation?"** |
| **10** | If **Yes**, prepare the Certificate of Donation. If **No**, no certificate is prepared. |
| **11** | **Process complete.** |

**Key point:** For donations of ■5,000 or above, the Deed of Donation depends on the donor's choice in the current process, while the Certificate of Acceptance is required. The Certificate of Donation is prepared only when requested by the donor.
