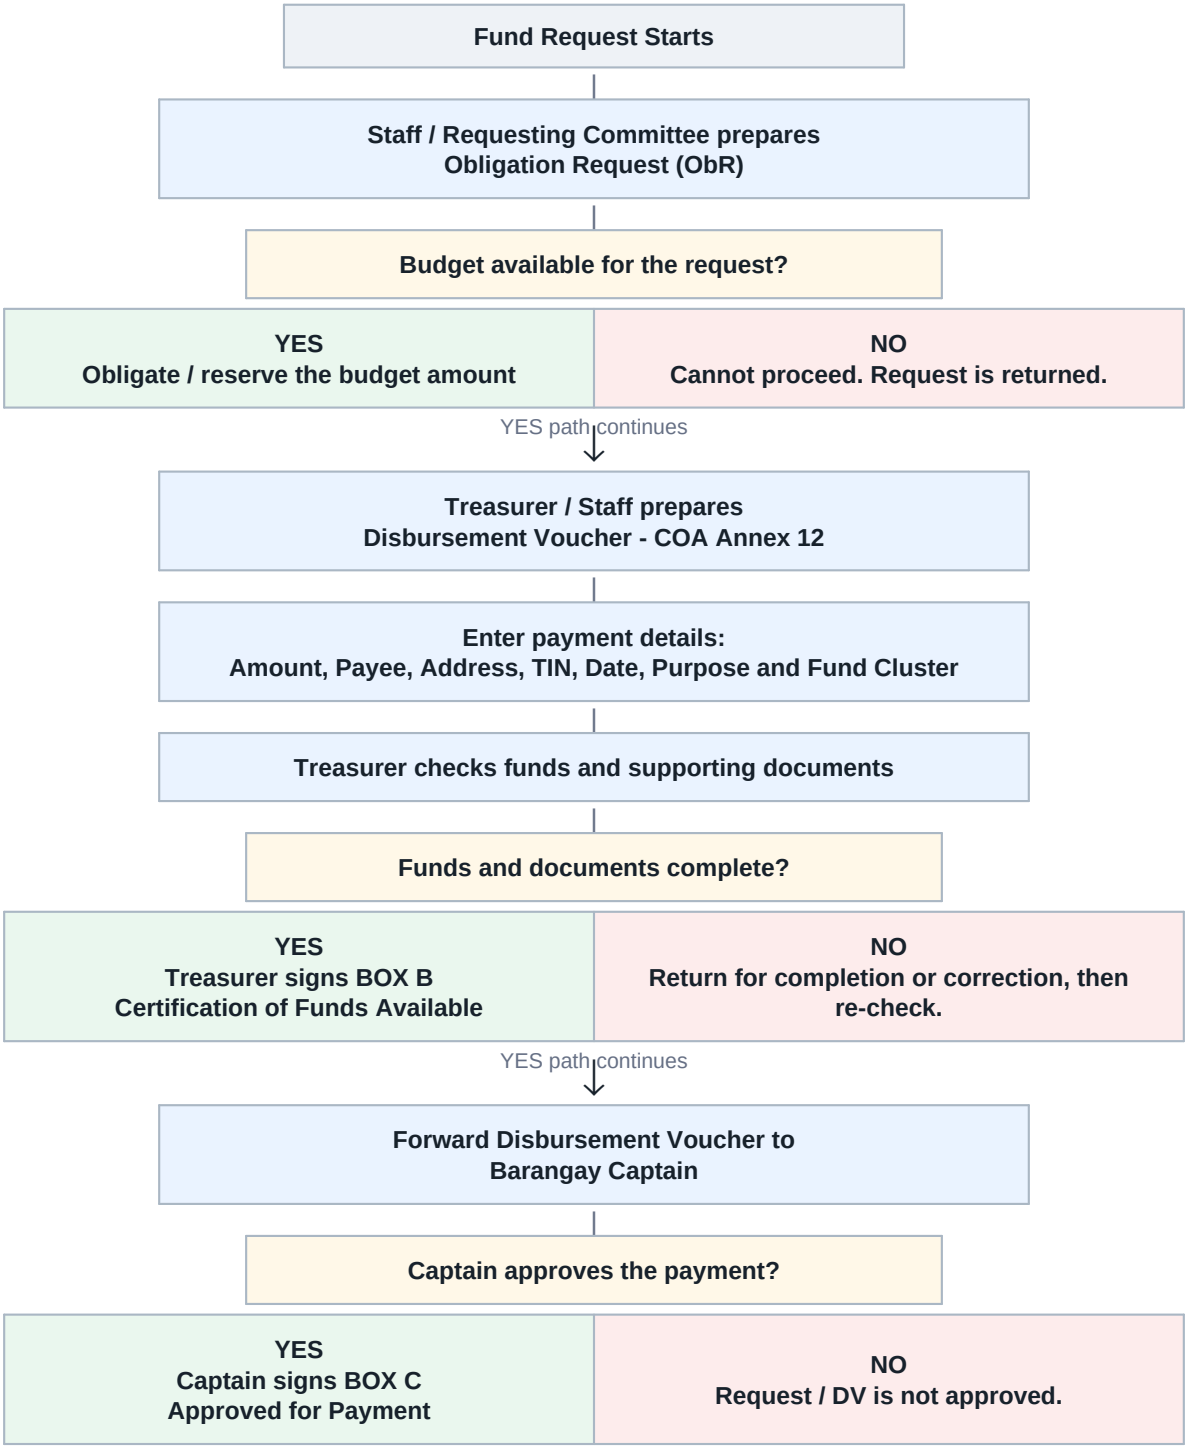
Simple Fund Request / Disbursement Flowchart

Current Barangay Fund Request and Disbursement Process



Flowchart - Continued

Simple breakdown

1. Staff or requesting committee prepares an Obligation Request (ObR).

2. The available budget is checked. If there is enough budget, the amount is **reserved or obligated** for the request.

3. The **Barangay Treasurer or staff prepares the Disbursement Voucher (DV / COA Annex 12)**.

4. The DV contains the **amount, payee name, address, TIN, date, purpose/particulars, and fund cluster**.

5. The **Treasurer checks the available funds and supporting documents**.

6. If everything is complete, the **Treasurer signs BOX B - Certification of Funds Available**.

7. The DV is forwarded to the **Barangay Captain for review**.

8. If approved, the **Barangay Captain signs BOX C - Approved for Payment**.

9. The **Treasurer prepares the LANDBANK check** for the supplier/payee.

10. The **Treasurer and Barangay Captain sign the check**.

11. The check is released to the **supplier/payee**.

12. The supplier/payee **signs BOX D - Acknowledgment of Receipt**.

13. The barangay collects the supplier's **Sales Invoice or Official Receipt**.

14. Disbursement process is complete.

For presentation, the easiest version to remember is:

ObR → DV → Treasurer Certification → Captain Approval → Check → Supplier Acknowledgment → Complete
